

Native American Suicide

Prevention and Awareness

Scholarship Form

Thank you for your interest in attending the 2010 MBRACE Life Summit September 16 and 17 at Hon-Dah Resort and Casino in Pinetop, Arizona. In an effort to fairly distribute the limited number of scholarships, we are asking all individuals who are interested in receiving a scholarship to respond to the questions below and return by close of business August 20, 2010 to Rachel.Peterson@narbha.org or fax to 928-774-5665. Scholarship awards will be determined by a team of reviewers and you will be notified of the team's decision by September 3, 2010.

- 1) Why are you interested in attending and how do you plan to use the information?

- 2) Will you be sharing the information you gather with others? If yes, whom?

- 3) Please describe how the workshop will advance your employment and/or educational goals?

- 4) Please describe the reasons and circumstances for which you are requesting a scholarship.

Thank you for applying. Please note that with so many eligible and qualified applicants, it is difficult to select only a few. We will notify you of the selection outcomes.

Sincerely,

MBRACE Life Planning Circle
